KEY INSIGHTS & RECOMMENDATIONS
1. Technology is 60% of revenue but earns only 12.3% margin (Laptops 8.3%). Action: renegotiate laptop supplier cost and bundle with Accessories (46.5% margin).
2. West Furniture margin is 10.1% vs 26.8% elsewhere. Action: cap discounts at 15% to recover about ₹1.3M profit.
3. Margin falls from 25% at no discount to 4.8% at 35%, and turns negative at 40%. Action: approval needed above 20% discount.
4. Online grew from 31% to 38% of sales while In-Store fell from 52% to 40%. Marketplace has the lowest margin (14.7%). Action: invest in Online and limit Marketplace discounts.
5. Q4 delivers 29.7% of revenue. Action: build stock and hire staff from September.
